MANY FILE PETITIONS FOR PRIMARY

Three potential candidates have filed for positions on the ballot in May for a brand new position in the county—that of Upper Adams School District auditor.

The three, all Republicans, are Earl W. Crum, Biglerville; Arnold E. Orner, Biglerville; and G. Kime, Bendersville. The new post came about with the merger of the Upper Adams school districts into one merged district.

Ray J. Snyder, clerk to the county commissioners, said that there will be a similar opening for auditors in the merged Gettysburg-Freedom Twp. district to be established this summer. The special merged district auditors audit only the books of the school district.

OTHER PETITIONS

Numerous other candidates have filed for position on the primary ballot, including: Glenn O. Tipton, Gettysburg R. 2, Republican, assessor in Cumberland Twp.; Bernard F. Linn, Gettysburg R. 6, Republican, justice of the peace in Straban Twp.; Richard J. Brendle, New Oxford, Republican, New Oxford borough council; John C. Kunkel, Biglerville R. 2, Republican, inspector of elections in Franklin Twp.

Lloyd T. Bortner, Littlestown R. 2, Democratic, tax collector in Union Twp.; Margaret S. Bucher, Littlestown R. 1, Republican, inspector of elections, Germany Twp.; Mary W. Brown, 253 S. Howard Ave., Democratic, inspector of elections, Gettysburg Third Ward; Netta S. Deatrick, Aspers R. 1, Republican, inspector of elections in Tyrone Twp. No. 2; Charles H. Gerver, Littlestown R. 2, Republican, supervisor in Mt. Joy Twp.; Velma B. Heiges, 500 Third St., Hanover, Republican, inspector of elections in Cone-wago No. 1; Edward J. Sneeringer, 213 Linden Ave., Hanover, Democratic, assessor in Cone-wago Twp.; Charles W. Hemler, 342 Third St., Hanover, Democratic, judge of elections in Cone-wago No. 1; Thomas G. Carbaugh, Hanover R. 4, Democratic, assessor in Cone-wago Twp.; LeRoy G. Gebhart, 124 Maple Ave., Hanover, Democratic, tax collector in Cone-wago Twp.

DR. SHAFFER TELLS OF HIS TRIP ABROAD

Dr. W. Frederick Shaffer, professor of Greek at Gettysburg College, gave an illustrated lecture at a meeting of the sub-league of the Woman's League of Gettysburg College Tuesday afternoon in the Student Union Building.

The illustrations included: Princess Street, Edinburgh, Scotland, "the most beautiful street in the world"; Hampton Court Palace, Windsor Castle, Hyde Park and Royal Albert Hall, all in England. He told of the Americans he met there. He proceeded to Germany, where he showed a restored church in Cologne, one of the worst bombed German cities in the war, and also the rebuilt town hall which was standing next to a bombed-out church, which was not rebuilt, as a reminder of the disasters of war.

"Everywhere in Europe you will see flowers," Dr. Shaffer said. "They are to make up for the war destruction. In Munich, the cultural center of West Germany, is the Munich Opera House."

"BRIDGE OF SIGH"

The Bridge of Sighs, Venice, was shown. He said there is an old legend that claims those who cross the bridge will never cross over it again. The bridge leads to a prison, where life sentences are served and where the death penalty is executed. St. Mark's Cathedral, Venice, Italy, was also shown. "It was made famous through Ruskin's essays," Dr. Shaffer.

Other photos were the market place in Athens, at the base of the Acropolis, the University of Athens, and "Square of the Constitution," the place where free

Sub Ends Its Submerged Cruise Of 66 Days, 22 Hrs.

HOLY LOCH, Scotland (AP)—The U. S. nuclear submarine Patrick Henry tied up in the Holy Loch today after a world record operational cruise of 66 days and 22 hours totally submerged.

U. S. Navy officials announced the record after the Patrick Henry arrived alongside her mother ship, the tender Proteus. The first sub to cruise abroad with a full load of 16 Polaris missiles, the Patrick Henry is the first of the fleet of 10 American rocket-firing subs that will use the Holy Loch as a base within missile range of the Soviet Union.

"We could remain submerged a good many weeks more," the Patrick Henry's skipper, Capt. Harold E. Shear, told newsmen aboard the Proteus.

The atom sub's sister ship, the George Washington, held the previous record of 66 days 10 hours submerged.

Shear said he sailed the submarine from Charleston, S. C., under fully armed conditions. Asked if he expected he might get the order to "press the button"—releasing his missiles at

Lloyd L. Lupp, 68, Dies At Idaville

Lloyd L. Lupp, 68, died Tuesday night at 8:15 o'clock at his home in Idaville where he had resided for the last 43 years. He had suffered a paralytic stroke three years ago.

A son of the late James and Sarah (Evehawk) Lupp, he was a native of Adams County and had been a laborer. He was a member of the Idaville United Brethren Church and at one time had been a lay minister in Virginia for two years.

Surviving are his wife, the former Grace L. Lauer; a son, Russell Lupp, at home; two grandchildren and a sister, Miss Viola Lupp, Aspers R. 1.

Funeral services Friday afternoon at 2 o'clock at the Dugan Funeral Home, Bendersville, with the Rev. Arbe Dorsey and Rev. Merle Slaybaugh officiating. Interment in the Biglerville Cemetery. Friends may call Thursday evening after 7 o'clock at the funeral home in Bendersville.

HISTORIANS HEAR PAPER ON MRS. LEWARS

A paper on the life and work of Mrs. Elsie Singmaster Lewars, first Adams County woman to be listed in Who's Who and one of nominees for the proposed Hall of Fame to be created by the Adams County Historical Society, was presented at the March meeting of the society Tuesday evening at the courthouse.

The paper was read by its author, Miss Nina G. Storrick, for many years a friend of Mrs. Lewars and often her traveling companion as she gathered material for her 41 books and hundreds of short stories.

The prolific literary works of Mrs. Lewars, who died September 30, 1958, including short stories, history, biography and fiction, "meet the qualifications of a great writer," Miss Storrick said. She noted that Mrs. Lewars' writings appeared in 80 or more publications and represented a "prodigious amount of literary work."

GETTYSBURG INFLUENCE

Miss Storrick reviewed events in the life of Elsie Singmaster from her birth August 20, 1879, at Schuylkill Haven where her father was serving his first pastorate. Elsie Singmaster graduated from high school at Allentown and had hitched her wagon to a literary star as early as the age of 10 when she began writing essays. She went to West Chester State Normal School two years, then to Cornell to learn to write for two years and received her degree from Radcliffe. Her connections with Gettysburg date from the time her father joined the Lutheran Theological Seminary faculty where he later became president.

In 1912, Elsie Singmaster and Harold Lewars were married and lived in Harrisburg until her husband's death in 1915, a short time after which she lost her only child at birth.

"Gettysburg had a great influence on the career of Elsie Singmaster," Miss Storrick said, "for she once said there's a story in every fence corner here." Many of her writings were laid in this community and among the Pennsylvania Germans whom she had

LOCAL GUARD IS INSPECTED

The annual inspection of the Howitzer Battery, local National Guard unit, was held Tuesday evening in the armory, W. Confederate Ave., by inspection teams from the 2nd Army inspector general's staff. Officers participating were: Col. George Thompson, regimental commander; Col. Lewis Nowrocky, regimental Army advisor; Col. Marlin B. Bair, 2nd Squadron commander; Maj. Burton V. Cline, Maj. William H. Grinnell, Army advisor; Capt. Charles J. Keister, 2nd Squadron advisor; Capt. William McDowell, regimental air advisor, and Sfc. Hector O. Orozco, sergeant advisor.

Sixty-six enlisted men and four officers were given the careful scrutiny by the inspectors in the inspection of ranks, close order, dismounted drill, questions and answers about rifles, interior guard, camouflage and maintenance of clothing and equipment. This was followed by class work in MOS training.

The I. G. staff Tuesday afternoon inspected the equipment, grounds and administrative work of the guard.

MINSTREL AT FAIRFIELD HI FRIDAY NIGHT

The Fairfield public school faculty, assisted by members from the student body of the Fairfield Joint School System, will present "Showboat Minstrels" Friday at 8:15 p.m. in the school auditorium.

This is the fourth annual production by the Fairfield teachers and students for the benefit of the teachers' scholarship fund, which was inaugurated by the Fairfield PSEA members in 1958. The minstrel show has been written by the high school faculty and will be produced and directed by Gary Bechtel, assisted by the music supervisor, Edward Cashmore.

An original background has been sketched by Ray Adelsberger, Ronald Willet, Robert Hardman and Paul Martin. The scenery was painted by various faculty members and several students. The entire project was under the supervision of Liliane Hann, the art instructor.

The first part of the minstrel will include the following faculty members: Richard Straup and Charles McDonald, "Sweet Georgia Brown"; Edward Cashmore, "Bye Bye Blackbird"; Jack McAndrews, "No Wedding Bells for Me"; Thomas Jackson, "Banana Split for My Baby"; Anthony Delzingaro, "Dinah"; Robert Rein-dollar and Gary Bechtel.

Others taking parts in the "variety acts" will include "Gallagher and Sheen," Kathryn Kunkle and Mildred Reinholdt; "Pantomime," Barbara Devlin and James Strock; "Old-Fashioned Melodrama," Anice Rutters, Lorraine Sites, Robert Leiter and Paul Sponseller.

The students taking parts are as follows: Chorus members, Bar-

Firemen To Meet Early This Evening

The Gettysburg Fire Department will meet this evening at the engine house, E. Middle St., at 7 o'clock, a half hour earlier than the usual starting hour.

President E. Glenn Raffensperger said the early meeting was decided upon because of plans of the fire chiefs to present a demonstration on fighting propane gas fires following the meeting. Experts from Philadelphia will present the demonstration. Fire chiefs from other fire companies throughout the county have been invited to be present for the demonstration.

Inspects Guard Unit

Maj. Burton V. Cline, of the 2nd Army Inspector General's Staff, is shown inspecting the gun of Sgt. Earl Kuykendall, Arendtsville, member of the Howitzer Company, local National Guard unit, in the annual IG inspection Tuesday evening in the armory. On the left is Capt. Donald E. Doersom, commander, and at the right, awaiting his turn for inspection, is Sp4 John Irvin.

RALPH K. WILL NAMED PREXY BY EXCHANGE

Ralph K. Will, manager of the G. C. Murphy Co., was elected president of the Gettysburg Exchange Club at its annual election-dinner meeting held in the Lamp Post Tea Room Tuesday evening.

Other officers chosen were: Vice president, David Rutters; secretary, Carroll Smith; trustees for six months, M. H. Chronister, Charles Smith and William Jordan, and trustees for one year, John Codori, Nick Meligakes and Edmund W. Thomas. The new officers will be installed and

begin their duties the first Tuesday in April.

Chairman Philip Neth, John J. Slentz and Carl Prosser comprised the nominating committee. It was also announced that a ladies' night will be held the first week of April and Slentz, Will and Rutters were appointed to arrange the program.

The club approved \$5 donations each to the Heart Fund and the (Continued On Page 2)

Moroccan Reinforcements In Congo Are Called Off

By DENNIS NEEDLE
LEOPOLDVILLE, the Congo (AP)—The U.N. Congo Command bargaining position worsened today, at least temporarily, with an announcement that 800 Moroccan soldiers previously scheduled for transfer to Leopoldville would be flown home instead.

The United Nations had announced Tuesday that the Moroccans were already being flown in from Katanga Province, and observers saw them as a strengthening for the U.N. demand to return to Matadi.

But today a U.N. spokesman said there had been a change of orders and the Moroccans would be flown to Morocco.

CALL 600 TUNISIAN

The spokesman refused to comment on reports that the Moroccans had refused to board planes to bring them to Leopoldville. Six hundred Tunisian soldiers did arrive in Leopoldville today on schedule to reinforce the local U.N. garrison. The first of 3,000 Indian soldiers are due next week. But 400 Sudanese troops who bore the brunt of Congolese army attacks in the ports of Matadi and

"Seminary Chapel" Program Thursday

On Thursday morning at 9:45 o'clock the last of the "Seminary Chapel" programs for this week will be presented on WGET with Louis G. Mehl of the seminary as the speaker. His theme will be "God Abides." Mehl is a graduate of Gettysburg College in the class of 1956.

During Thursday's broadcast the seminary choir will sing the hymn "Jesus Christ, Our Strong Salvation."

The "Chapel" series will be resumed next Tuesday morning and will continue on Wednesday and Thursday.

DR. BOLEWSKI TO LECTURE

Dr. Hans Bolewski, German educator and editor, who spoke here at Gettysburg College and the Rotary Club a week ago, will return for two lectures at the Gettysburg Lutheran Theological Seminary Thursday and Friday.

Director of the Evangelical Academy at Loccum, Germany, and editor of the Luther World, Dr. Bolewski is a graduate of the Universities of Kiel, Marburg, Halle and London and received his Doctor of Theology at Halle University.

He served as a pastor in Edinburg, Scotland, and in Hamburg, Germany, before becoming director of the Lutheran World Federation Department of Education.

He will speak Thursday afternoon at 2 o'clock on "Present Debates on the Authority of the State" and on Friday morning at 9 o'clock on "Nonintegrated Christian-Evangelism and Adult Education." Both talks will be given at the Church of the Abiding Presence on the Seminary campus.

It was announced that the lectures by Dr. Bolewski will be open to the public.

During his stay here Dr. Bolewski will be entertained by the seminary students at an informal social hour and by the faculty at tea.

NEW NAMES GO ON ASSISTANCE ROLLS HERE; TO ENLARGE STAFF

The current business decline is being reflected in the Public Assistance rolls of the county, the Assistance Board learned at its meeting Tuesday in its offices on Chambersburg St.

Reports of the case load showed the number of assistance cases had increased by 30, and the number of persons helped by 100 during the last month. The assistance rolls are up 84 cases and 256 people from the number listed exactly one year ago.

Mrs. Verna Myers, director of the assistance board, told the directors the increase to a large extent has been brought about by "unemployment compensation running out." The result is that the county assistance office is now helping many people who never before needed assistance, according to the report.

NEED BIGGER STAFF

The winter's heavy snow also helped force a few onto assistance rolls. In prior years they were able to work outdoors, but this winter prevented much outdoor work and family resources ran out.

Because of the increase in persons receiving assistance, there is need for an additional caseworker, Mrs. Myers told the board. Either experience in work in dealing with people, or four years of college, may help qualify an applicant for the post. A Civil Service examination for the job will be given March 18. Applications for the examination and complete details on the requirements are available at the assistance board office.

The county assistance board received a congratulatory note from Mrs. Ruth Grigg Horning, state secretary of welfare, for the work the local caseworkers have been

Second place was awarded Dr. Francis Mason; third, Mr. Kendlhart, and fourth, Maurice Stoops. Dr. Frederick Tilberg, vice president, presided at the short business session in the absence of Dr. Frank Hewetson, president.

BEGIN SURVEY OF FARMS IN ADAMS FOR ASC

The Adams County Agricultural Stabilization and Conservation office Tuesday sent 14 men into the field to begin a survey of the more than 2,000 farms in the county to determine their grain production.

About 11 more men will be added to the survey crew in order to complete the check by March 21, J. Glenn Miller, office manager of the ASC office, said.

He said the survey has been ordered by the federal government as an "advance step in connection with proposed feed grain programs now under discussion." Miller said he had been informed that the survey must be completed by March 21, including the tabulation of all of the figures gained from the individual farms into a county report.

The federal government, according to Miller, holds that, to put into operation for 1961 crops the grain programs currently being considered, accurate data must be secured immediately on all farmers' production in order to be fair to all of the grain growers.

The information will include the acreage history of each farm for corn, grain, sorghum, barley and oats as well as the acreage devoted to other crops and land uses. The survey is for all farms in the area where one or more of the feed grains was produced within the last two years.

FIRE DESTROYS HOME

The large rural home of Mr. and Mrs. Leo Murphy Jr., Eagle, Mich., was recently destroyed by fire. Mrs. Murphy is the former Miss Janice Sanders, daughter of Mr. and Mrs. O. G. Sanders, Fairfield. Some furnishings were saved but the loss is estimated at \$10,000.

REJECT APPEAL

The board read, without taking any action, a proposed bill before the legislature which would permit the assistance boards to continue to provide assistance when persons on their rolls go to the county home. At present such assistance stops, with the exception of blind pensions, when the recipient transfers from his home to the county home.

The board turned down a request by a legally responsible relative to have his contribution toward care of a relative on assistance waived because, he said, he was faced with high medical expenses for his wife. The board considered the expenses, which averaged \$18 a month, and held that the person could continue to aid in the support of his relative.

The case load as reported Tuesday was old age assistance, 211 cases and 216 people; blind pensions, 107 cases, 107 people; aid to dependent children, 164 cases, 776 people; general assistance, 113 cases, 333 people, and aid to disabled, 55 cases and 61 people.

Vice President Allen S. Stauffer presided at the meeting. Other board members present included Mrs. J. Kermit Heretere, Mrs. Donald Noel, Evan Applier and Clyde L. Kennedy.

Will Lecture On Dead Sea Scrolls

On Sunday, March 19, at 4 p.m., the Washington County Museum of Fine Arts will present an illustrated lecture by Rev. Raymond M. Miller dealing with "The Qumran Community and The Dead Sea Scrolls."

The Rev. Mr. Miller's lecture will cover the story of the discovery of Dead Sea scrolls, showing some of the stages research scholars went through in determining their authenticity and dating. In addition there will be an evaluation of the scroll material and the place they occupy in helping to understand this little known period in the history of Judaism. The Rev. Mr. Miller will conclude by relating the religious ideas to the New Testament.

The lecture will be illustrated with color slides.

The Rev. Mr. Miller, who is presently pastor of the Clear Spring Lutheran Church, first became interested in this subject while taking his postgraduate studies at Yale in the field of Judaism. The public is invited to this free museum presentation.

MATH TEST FOR

(Continued From Page 1)

Swope, Guy Weikert, Janet White and Eileen Zeigler; Sophomores Barbara Allison, Faith Hess, Donald Miller, Maren Peterson, Steve Stahl and Mary Nell Sargeant.

The two-hour test administered by Miss Louise Ramer and Paul Mehning is sponsored "in order to stimulate interest in mathematics and to challenge students to engage in original and creative thinking, as well as to encourage students toward considering a mathematical career."

The top three students will form a team that will compete with others in this area for the following awards: a bronze cup for the team in each contest region with the highest team score; a demonstration slide rule to the team with the second highest score, and a certificate of merit to schools with teams who score in the upper 10 per cent of team rates.

Individual awards will include a gold medal for a contestant with a perfect score, a silver medal for the student who is a three-time winner and a bronze medal for the contestant who is a two-time winner. A mathematics pin will be presented to the student in each school with the highest score.

Will Give Spring Concert March 24

The nominating committee which will report at the May meeting includes Mrs. Mark Eckert Sr., chairman; Mrs. J. C. Donley and Mrs. James Pickering.

Mrs. Ingolf Qually announced that the judges for the talent show to be held March 25 in the Student Union Building will be Cliff Arquette, Col. John Eisenhower, and two faculty members. She urged members to see the show and bring as many friends as possible. Mrs. Henry M. Scharf announced that a square dance will be held May 27. Further details will be announced later.

Mrs. Richardson announced that the next meeting will be held May 2 in the lounge of the Student Union Building.

Emily Pontius, Sonja Olsen and Babs Buse of the Delta Gamma sorority were the baby sitters for the afternoon.

MEYERS RITES HELD MONDAY

Funeral services for John William Meyers, father of the Rev. Amos D. Meyers, pastor of the York Springs Methodist Church and supervising principal of the Bermudian Springs Joint School system, were held Monday at the Russellville Methodist Church in Huntingdon County. Mr. Meyers died unexpectedly last Friday at his home at Aitch, Pa.

Mr. Meyers was a retired farmer and for the last five years had been a state highway inspector. His death occurred on the eve of his 70th birthday anniversary. He was a native of Elizabeth, Pa., a son of the late Amos E. and Anna (Gregg) Meyers. In August, 1916, he and the former Annie Weaver of Cumberland, Md., were married.

In addition to his widow there are five sons surviving: The Rev. Amos Meyers, York Springs; John, Aitch, R. D.; Dr. Wayne M. Meyers, Berrian Center, Mich.; William L. Lansing, Mich., and George W. Aitch R. D. There are 11 grandchildren, three sisters and two brothers also surviving.

Services were conducted Monday by the Rev. Benjamin S. Herrold, Russellville, pastor, and the Rev. E. Eutz, Allentown. Interment was made at Russellville.

The Arendtsville Fire Company will hold a public 500 card party Friday evening at 8 o'clock at the new fire hall.

The Rev. Dr. and Mrs. O. D. Coble, Bendersville; Mrs. Ruth House and Mrs. Edward Rothenhoefer, Aspers, visited Tuesday with Mrs. Rollin Wolfe, Aspers, who is a patient at the University of Pennsylvania Hospital, Philadelphia.

The Ira E. Lady American Legion Post will hold a meeting Thursday evening at 8 o'clock at the post home on E. York St., Biglerville. All members are urged to be present to make final plans for the stag party to be held Friday evening.

Harry H. Sheaffer, Aspers, has returned home after a week's visit with Mrs. Sheaffer's brother and sister-in-law, Mr. and Mrs. Earl Guise, and family, Dixon, Ill.

NURSES' AIDES HOLD ELECTION

Mrs. Joseph H. Riley was elected captain of the Red Cross Nurses' Aide Corps at its meeting Tuesday evening at the West St. Branch of the Gettysburg National Bank. Mrs. G. Marion Stambaugh was elected co-captain.

Mrs. Harry Moser was elected treasurer and Mrs. James Treas secretary. Mrs. Stambaugh was named as chairman for the May banquet at which service bars and pins will be awarded.

County Civil Defense Director William G. Weaver and Walter B. Lane showed a motion picture on use of the 200-bed package hospitals available through Civil Defense. The hospitals consist of cots, equipment, etc. which are stored until needed and then can be used to convert any large building into a temporary hospital for care of 200 patients.

Mrs. Peggy Hill, Red Cross secretary, announced a first aid refresher course will be conducted starting Monday, April 3, at the Warner Hospital. Garth Biser, of Gettysburg College, will be instructor for the course which will be held from 7 to 9 each night for five successive Mondays.

Man In Hospital After Shooting

Benjamin Thomas, 39, Aspers R. 1, was reported in a satisfactory condition at the Warner Hospital with bullet wounds in the stomach and neck.

State police, who are continuing their investigation this afternoon, said they believe Thomas was shot by his father-in-law, Charles Smith, aged about 54, on Smith's farm near Heidlersburg during a family quarrel early Tuesday evening.

Police said their preliminary investigation showed the shots apparently were from a .22 caliber pistol. Police said they understood that Thomas drove himself from the farm near Heidlersburg to Gettysburg.

Here the wounded man stopped his car and sought help from another person who drove the car to the hospital where Thomas was admitted and an emergency operation performed about 7 o'clock.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times
TWENTY-FIVE YEARS AGO

49 New Relief Cases Opened In This Area: Forty-nine direct relief cases were opened and eleven closed in Adams county during the week ending February 29, according to a report released today by the state emergency relief board.

During the same week 21 relief applications were received in Adams county. A total of 279 cases, representing 1,338 persons with an expenditure of \$1,640.78, was reported for this county in that period.

Virginia Gives \$5,000 To Peace Memorial Here: Five thousand dollars has been appropriated by the Virginia legislature toward the erection and dedication of an "Eternal Light Peace Memorial" on the Gettysburg battlefield during the observance of the 75th anniversary of the battle of Gettysburg and the first official reunion of the Grand Army of the Republic and the United Confederate Veterans here in 1938.

That announcement reached headquarters of the Pennsylvania State Commission, in the Hotel Gettysburg annex, last Saturday night, several hours after the 1936 session of the Virginia legislature adjourned.

Patrolman Is Injured When Cycle Upsets: While many motorists traveled the highways of this section over the weekend without serious mishap, Corporal J. G. Warren, of the local substation of the highway patrol, escaped serious injury in the only accident that was reported to the patrolmen in the past three days.

Corporal Warren was northbound on the Gettysburg-Harrisburg road on regular patrol duty and was traveling at the usual cruising speed of about 35 miles per hour Sunday afternoon about 1:30 o'clock. At a point about two miles north of Gettysburg the front connection of his side-car loosened allowing the nose of the car to drop to the rough surface of the roadway. When the front of the side-car struck the roadway, the wheel of the car mired in the soft ground along the right edge of the highway.

31 District Spelling Contests Will Be Held In County On Saturday: Plans for district spelling contests preliminary to the final contest when a county champion will be named, to be held in every school district in the county, Saturday afternoon at 1 o'clock, were announced today by Professor J. Floyd Slaybaugh, superintendent of schools in Adams county. The pupils who make a grade of 96 or better in the written test in which 100 words will be dictated from the "1,000-word booklet" prepared each year by the county superintendent's office will qualify for the county-wide contest to be held in the Lincoln School building, York St., Saturday, March 21, beginning at 10 o'clock in the morning.

County Audit Nearing Close: The Adams county auditors expect to complete their annual inspection of county accounts early next week, it was announced at the courthouse today.

The auditors began their task January 6 and, with the exception of a few days in January when they were unable to reach Gettysburg because of weather conditions, have been working steadily on the audit.

Gettysburg Is Given 13 Places On Y. W. Board: Gettysburg's representation on the official board of the Adams county Young Women's Christian Association is increased from five to 13 members in changes of the constitution of the organization approved Monday evening at the monthly meeting of the official board. Seventeen members attended the meeting which was held at the YWCA building, Center Square. Mrs. B. G. Walter, Biglerville, president, presided. Only the York Springs members of the board were absent.

Today's Talk

POWER

Power is an inspiring thing. Especially when it seems most latent—with only its face just peeking!

We are still young in the use of the power that has been given us by God in nature. Our bodies are a network of power—much of it never developed—but merely asleep.

Not until a man thoroughly wakes up and begins to pick up the tools about him, which are his inheritance, does he really understand the grip that power has.

And power is cumulative! It grows just like the muscles of the athlete do when they are given attention. It stalks ahead and leads the man with it. And although power itself comes from many sources and is really greater than the man, yet does the man drive the power that pulls him on and up.

Some day the unused power in the sun is going to be utilized. The use of space is still in its infancy.

Man's plans are daily being upset. He is just beginning to see that he must build far into the future—and this means looking into ways for the developing and concentrating of power.

The reason why the lives of so many grow uninteresting early in life is because they outwear their original clothes—made only for a little time. We now live in an age where we must begin to think in terms of the many—of nations, races and of ages.

We must remember also that we are but atoms in the one great plan of the universe.

And if we would gain the greatest amount of individual happiness, we must earnestly seek to bring out the most power of which we are capable—and to use it to the full in the work of our everyday lives.

Tomorrow Mr. Adams will talk on the subject: "A World Of Wonders".

CLEVER

Sometimes I think it were better if never

We'd heard of or uttered the little word "clever."

Though clever means skill of a certain degree,

There are so many things it is better to be.

Now clever's a word that is sweet to the ear;

It flatters our pride and misleads us, I fear;

It tells the young fellow who's tempted to shirk

That if he is clever he won't have to work.

It tells the young fellow unwilling to wait,

That if he is clever he needn't go straight;

Full many a wrong deed it tempts him to do

By saying if clever he needn't be true.

But better it were to have patience to wait

And little by little to grow to be great;

And loyalty harvests more friendship and joy

Than just being clever can gather, my boy.

Be honest, be cheerful, be kindly, be brave,

Be willing to work and be willing to save;

It is fine to be clever; but take this from me,

There are numberless things it is better to be.

RADAR BILL IS DEFEATED BY STATE SENATE

HARRISBURG (AP)—Senate Democrats held the door open today for revival of a defeated bill that would legalize the use of radar by state police to curb highway speeding.

The controversial legislation was defeated Tuesday night on a vote that capped a day-long series of mix-ups and parliamentary maneuvers.

On a straight party line vote, Democrats provided 25 votes for passage—one short of the required 26-vote constitutional majority. Republicans had 22 negative votes and three absent members.

TWO SWITCH VOTES
Sens. Fred B. Rooney, D-Northampton, Charles R. Weiner, D-Philadelphia, and Martin Silvert, D-Philadelphia, switched their vote from "yes" to "no" in a parliamentary move that would allow the bill to be reconsidered again—possibly next week.

Under Senate rules motions for reconsideration of the vote on a bill must be made by senators who voted with the prevailing side—in this case the side defeating the radar bill.

The day-long running battle on radar was the highlight of the week's legislative docket in both houses.

HOUSE RETURNS TODAY

It was the only bill voted upon by the Senate in its two-day meeting before adjournment until 3 p.m. Monday.

The house was to return today. Legislation to enact Gov. Lawrence's proposed budget was submitted in the House.

A package of 56 bills would provide appropriations totaling \$870,656,285. The largest single measure was the huge General Appropriations Bill providing funds for virtually all state agencies. It totaled \$902,603,556.

Scores of smaller appropriations totaled \$68,052,729. The largest single appropriation, beside the general government bill, was \$18,507,760 for Pennsylvania State University.

DEMONSTRATION FUMLED

Rep. J. Dean Polen, chairman of the Appropriations Committee, said he expected the bills to reach the floor of the House for action within two or three weeks.

The money bills did not include some \$19 million in appropriations requested for state-aided homes and hospitals.

But introduction of the appropriations in the House fell under the shadow of the Senate activity.

The radar disturbance began when a morning demonstration of the device put on by the state police for the senators went slightly haywire.

LOST VOTES

Measurement of the speed of one auto in the test was so far off that Police Commissioner Frank G. McCartney said, "It can't be. It can't be."

But some Republican lawmakers who had indicated they would support the radar proposal felt it definitely could be.

"This is one gentleman whose vote was changed by what he saw this morning," said Sen. Clarence Bell, R-Delaware, in debate on the bill Tuesday.

In 1959 Bell, then a member of the House, was active in support of radar legislation and voted for a measure that later died in a Republican-controlled Senate.

TO HEAR EXPERTS

In other legislative action Tuesday:

Capital Punishment—The joint legislative committee studying the feasibility of capital punishment as a deterrent to crime invited a list of prominent legal experts and criminologists to state their views at a hearing in Philadelphia Friday.

Sen. Benjamin F. Donolow, D-Philadelphia, chairman of the House-Senate committee, said J. Edgar Hoover, director of the Federal Bureau of Investigation, was among the group invited.

House Junkies—Rep. Thomas McCormack, D-Philadelphia, said he would seek a legislative investigation of extra compensation paid legislators for committee work.

McCormack expressed concern in a speech Monday night to the House over a news account of the extra compensation practice.

TOURISM BILL GAINS

House Speaker H. G. Andrews scolded McCormack for making statements about the House leadership on the basis of news accounts. He suggested that McCormack make his stand in a resolution.

Tourists—The House State Government Committee gave preliminary approval to a bill that would

Two Jailed For Cheating County

EBENSBURG, Pa. (AP)—Two men were free on bond today pending outcome of appeals from their convictions on charges of conspiring to cheat Cambria County out of \$20,000.

County Commissioner Frank Burns and former bakery operator Frank Domenick drew jail terms Tuesday, but quickly appealed to State Superior Court.

The state charged that the pair schemed to bill the county for more bread than was delivered to county institutions.

Burns received a one to three-year jail term and was ordered to make restitution for \$11,599. Domenick was given a jail term of three months to one year and was ordered to make restitution of \$9,685.

OPEN POULSON TRIAL TODAY IN POTTSVILLE

POTTSVILLE, Pa. (AP)—Robert H. Poulson, 25, of Philadelphia, goes on trial here today on charges of burglary in a bizarre case with many ramifications including the alleged murder of a state's witness.

Poulson was the first of five defendants scheduled to be tried in the Aug. 7, 1959, burglary of the home of John B. Rich, wealthy owner of the Gilbert Coal Co.

Calvin P. Friedberg, assistant district attorney of Schuylkill County, is prosecuting the case.

Meanwhile, Alfred P. Filippone, a Pennsylvania state deputy attorney general, has arrived here to assist in prosecution of the case.

He said he was sent here in response to a request made to Atty. Gen. Anne X. Alpern by the Schuylkill County district attorney's office.

Rich was vacationing in Europe at the time of the burglary. He reported a loss of \$20,500 in cash and jewelry, which is what the indictments list. But police say nearly \$500,000 in cash was taken.

Clyde L. Miller, 53, of Forked River, N. J., also was scheduled to go on trial today but is in a Philadelphia hospital reportedly suffering from bleeding ulcers.

Miller's attorney said he would be confined to the hospital for a week.

The three other defendants are scheduled to face trial next Monday. They are Lillian Reis, 32, a striking brunette, one-time chorus girl who now owns the Celebrity Room nightclub in Philadelphia; Ralph Staino Jr., 27, manager of the club, and John C. Berkery, 30, of Haddon Township, N. J.

Miss Reis and Berkery have been indicted by a grand jury in Atlantic County, N. J., on charges of killing another defendant, Vincent Blaney, 26, of Philadelphia.

MISS TAYLOR IS IMPROVING

By HAL R. COOPER

LONDON (AP)—Stout-hearted Elizabeth Taylor appeared winning her desperate fight for life today with a steady rally against double pneumonia. There was indication she might soon be off the danger list.

Doctors said that for the first time since the 29-year-old movie star was stricken four days ago she was "sufficiently conscious to be able to assist in her own treatment."

A medical bulletin this morning from the bedside said her "condition is greatly improved and gives less cause for anxiety."

The beautiful actress made an amazing comeback during the night from the brink of death.

Just before midnight the doctors reported her condition improved but said it "still gives rise to considerable anxiety."

A few hours later they reported "her improvement is maintained. She is just on the danger list."

Only an hour afterward they issued a bulletin saying:

"(Her) condition is greatly improved and gives less cause for anxiety. In addition, today is the first day in which she has been sufficiently conscious to be able to assist in her own treatment."

LENTEN PRAYER FOR TODAY

from *Go With God*
BY JIM BISHOP

Most of us need guidance when we are hurt. At those times we ask beseechingly and repeatedly. Perhaps all too often God hears a cry from a man or woman or child who couples his adoration with an itemized plea.

Archbishop Francois Fenelon (1651-1715), whose archdiocese was in Cambrai, France, was one whose personal prayer was almost entirely selfless. He wrote a prayer called "Teach Me," which is an exquisite sentiment. Still, God admonished man to ask and he shall receive. This means, as I see it, that the petitioner should be specific in his prayers. He must ask for the home, or the job, or the health that he feels he needs.

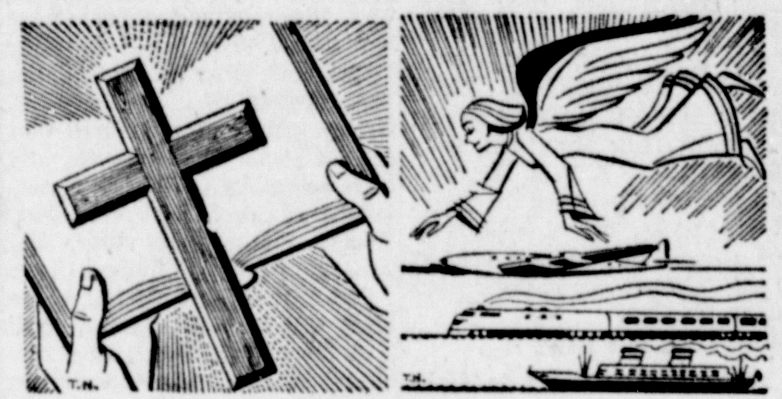

Some whose prayers are not answered affirmatively feel that God has not listened. They, as any cleric of any church can explain, are wrong in concluding this. God listens to all pleas, and, being omnipotent, He is able to listen to millions of prayers in a day and to heed all of them. He grants those which He is disposed to grant.

A most tragic situation is to hear a mother praying for the recovery of a sick child and to know the child will die. It almost never occurs to the grief-stricken mother that God, in His infinite wisdom, sees deeper, more protracted pain ahead for the child if he is permitted to live.

Or it may be that He desires, for His own reasons, to bring that particular child closer to Himself.

The following is Bishop Fenelon's prayer, "Teach Me":

Lord, I know not what I ought to ask of Thee; Thou only knowest what I need; Thou lovest me better than I know how to love myself. O Father; give to Thy child that which he himself knows not how to ask. I dare not ask either for crosses or consolations; I simply present myself before Thee, I open my heart to Thee. Behold my needs which I know not myself; see and do according to Thy tender mercy. Smite or heal; depress me, or raise me up; I adore all Thy purposes without knowing them; I am silent; I offer myself in sacrifice; I yield myself to Thee; I would have no other desire than to accomplish Thy will. Teach me to pray. Pray Thyself in me. Amen.

X15 SETS NEW SPEED RECORD

EDWARDS AIR FORCE BASE, Calif. (AP)—I feel certain the X15 will achieve its design mission.

That was Air Force Maj. Bob White's casual way of predicting the record-setting rocket ship eventually will fly 50 to 100 miles high at speeds up to 4,000 miles per hour.

His fringe-of-space prediction came after the handsome, dark-haired pilot's test flight of the X15's powerful new engine Tuesday.

The engine, open only two-thirds of full throttle, hurtled White across the desert sky at 2,650 miles an hour—a record for manned flight. Officials said instrument checks may revise the figure upward to 2,800 m.p.h.

Another record was set when air friction heated the plane's stainless steel skin to an estimated 700 degrees, warmest yet for a man-carrying craft.

White, 37, said his pressure suit and air conditioned cabin kept him comfortable at all times.

NEW DELHI, India (AP)—Govind Ballabh Pant, 73, one of the grand old men of the Indian independence movement and Prime Minister Nehru's right-hand man on the home front, died Tuesday.

The home minister, who had been in failing health for a year, was a powerful political figure among Indians and served as acting prime minister when Nehru was out of the country.

GETS LIFE FOR KILLING BOY IN PHILADELPHIA

PHILADELPHIA (AP)—Norman T. Wilson, an 18-year-old Negro youth accused of fatally stabbing a white boy, has been sentenced to life imprisonment for the slaying.

At the same time Tuesday, three Quarter Sessions Court judges sentenced two other Negro youths to terms of up to 15 years in connection with the same fatal stabbing, that of John A. Campiglia, 17, a South Philadelphia High School honor student.

Lonnie Jackson, 19, drew a 7½-to-15-year term, while Franklin D. Sutton, 16, was sentenced to 5-to-10 years.

PLEADED GUILTY

All three had pleaded guilty to a general charge of murder. The judges found Wilson guilty of first degree murder and the two others guilty of second degree murder.

The boys were accused of being among a gang of eight Negroes who attacked Campiglia, an innocent bystander, last March 21 as he walked home from school. Five other boys are in custody of juvenile authorities.

Isaiah Crippins, defense counsel for Wilson and Jackson, sought to show before the sentences were imposed that a series of racial incidents spreading over several years were the mitigating factors in Wilson's case.

NO INTENTION

Before the sentence was imposed, Wilson said to the court: "I don't have anything to say except that I had no intention of killing at all. That's all I have to say."

Among the 150 persons who crowded the courtroom during the proceedings were Campiglia's parents. The dead boy's mother wept during the proceedings.

O'Reilly And Pfeiffer Of Mount Selected For All M-D Conference Team

Mt. St. Mary's placed two men—John O'Reilly and Eddie Pfeiffer—on the All Mason-Dixon Conference basketball team picked by the league's coaches and announced today.

The only repeater on the dream team is Bridgewater's Jim Reedy, who made it for the third straight year. Reedy was conference scoring champion all three years.

Only player from the Baltimore area schools to make the first five is Baltimore U's Brooks Gracie.

Completing the quint is Gene Horan, from Catholic U.

Reedy, whose 33.4 scoring average this year was the highest in league history, is the only senior on the team. Gracie is a Junior and O'Reilly, Pfeiffer and Horan are Sophomores.

Gracie finished strong this season to wind with a 26.8 average, second highest in the league.

MUTT-JEFF COMBO

O'Reilly and Pfeiffer form a real mutt and Jeff combination. O'Reilly, a transfer from La Salle, is a burly 6-foot-4, 210-pounder. Pfeiffer is only 5-9 but he's strong as an ox and considered by many as the man who makes the Mount team go.

O'Reilly, in his first season of varsity ball, averaged 21.6 points, fifth best in the circuit. Pfeiffer had a 15.4 average.

John Heagney, of Loyola, is the only State player on the second team. He was the conference's No. 3 scorer with a 22.4 average and finished his career as the third highest in Loyola history with 1,170 points.

PICK STAR REBOUNDER

The other second team men are American U's Al Dillard, Catholic U's Gene Jasper and two from Randolph-Macon, Frank Kaminski and Alex Roberts.

Dillard is American U's rebounding star. He, Kaminski and Roberts are Freshmen and Jasper is a Junior.

Two Mt. St. Mary's players who were first team choices last year—Jerry Savage and Dick Talley—were overlooked this time.

Savage was beaten out by Dave Maloney late in the season and Talley was overshadowed by teammates O'Reilly, Pfeiffer and Maloney. Maloney received honorable mention.

Another first teamer from a year ago, Baltimore U's Jack Bychich, started the season but left the squad in December.

Gordie Howe Sets Another NHL Mark

DETROIT (AP)—Gordie Howe, the Detroit Red Wings' super star, holds another record today and the Wings have virtually clinched a National Hockey League playoff berth.

Howe set up two goals Tuesday night to tie the Wings' record for consecutive game scoring. Detroit beat the Boston Bruins 3-1 and moved 10 points ahead of fifth-place New York in the NHL race. It was the only game Tuesday night.

Howe, already 12 times the highest point-scorer in the NHL, scored two assists and extended his streak of at least one point a game to 14 straight. He tied the record set earlier this season by teammate Norm Ullman.

Buying a USED CAR?

Timely Tips That Can Help Protect Your Investment!

1. Choose your dealer carefully.
2. Buy only from a well established reputable dealer.
3. Buy only from a dealer who maintains his own adequate facilities to service the car you buy.
4. Insist on a WARRANTY in writing that can be "backed-up."
5. BUYING from a NEW CAR DEALER IS YOUR BEST BET. . . . Most new car dealers sell locally owned trade-ins, not Used Cars obtained from Auto Auctions or distress merchandise from large cities.
6. Insist on knowing where the Used Car came from. "Ask who was the previous owner." Most new car dealers will be happy to tell you and invite you to contact the previous owner.
7. New Cars bought from Used Car Dealers . . . REMEMBER, only the New Car Dealer is authorized to extend a FACTORY WARRANTY to a buyer, NO ONE ELSE.

Huge Backing For Warriors At Hershey Tonight

Upwards of 1,000 local basketball fans will follow the Gettysburg High School basketball squad to Hershey tonight where the Warriors meet Solanco of Quarryville, Lancaster County, at 7:30 o'clock in a semifinal District Three Class A playoff game. Reading High opposes Central of York in the second game of the double-header.

At midmorning it was reported that 541 student tickets and 319 adult tickets had been purchased at the local principal's office. The sale closed at 1 p.m. today. Six school buses will transport a large number of the students.

Coach George Forney's Warriors, South Penn titlists and 15-4 overall for the campaign, meet a worthy opponent in Solanco, 15-2 and Section Two champions of the Lancaster County League. The Golden Mules have an outstanding pair of performers in Fred Wert and Ben Wenger, both 6 feet, who are their top scorers.

Winners of the games tonight at Hershey will return to the Sports Arena next Monday evening to battle for the district championship.

SCHOENDIENST GETS \$25,000 WITH CARDS

By MIKE RATHET
Associated Press Sports Writer
Aging Red Schoendienst, threatened with the end of a major league career spanning 16 seasons and a bout with tuberculosis, has been pronounced the "youngest-acting guy" on the St. Louis Cardinals and rewarded with a \$25,000 contract.

The 38-year-old switch-hitter went at top speed in the Cards' intrasquad game Tuesday, cracking two singles, stealing a base, scoring one run and making a stop with the skill he used to flash as one of the National League's greatest second basemen.

Schoendienst, who had been working without a contract after getting his release from the Milwaukee Braves, accepted terms following the workout. General Manager Bing Devine said, "This is our break, not Red's. He has been most impressive and should help us tremendously."

CONCERN FOR HEALTH

Manager Solly Hemus concurred, calling the veteran "the youngest-looking, youngest-acting guy on the squad. My one concern was Red's health," said the Redbird skipper, "but no man could be ill and work the way he has the last two weeks."

Milwaukee's reluctant Wes Covington finally ended his holdout siege by signing after the club gave the 29-year-old outfielder an ultimatum to sign or go through with his threat to sit out the season.

Elsewhere, a rash of injuries broke out. The San Francisco Giants' Willie Mays escaped serious damage when a vicious foul spun off his left foot in batting practice. He suffered a bruised instep.

ROCKY NELSON ROCKED

Rocky Nelson, first baseman for the world champion Pittsburgh Pirates, was hit in the face by a pitched ball, but was not seriously injured. Chicago White Sox rookie catcher Camilo Carreon split an index finger on his right hand when he was struck by a foul.

The Cards reported that ailing shortstop Julio Gotay still has blurred vision from an eye inflammation. Outfielder Al Pilarcik, obtained from Baltimore in a trade, told the Kansas City A's he's retiring because of illness in his family.

The A's continued to get solid hitting performances from rookie outfielder Jay Hankins, who had two doubles and a single in an intrasquad test and is 8-for-19. Infielder Lou Klimchuck slammed a double and single and now is 8-for-14.

DRYSDALE GOOD

Right-hander Don Drysdale, erratic last season with a 15-14 record, pitched four sharpinnings in a Los Angeles workout. He gave up only one hit and two unearned runs—on a homer by Tommy Davis—struck out four and walked only one.

Joe Hicks had a homer and double in Washington's intrasquad contest. Roy Sievers connected for a pair of doubles in the White Sox' practice session. Bob Skinner and Bob Odis each had three hits at the Pirates' camp. Gus Bell sparked the Cincinnati workout with a two-run homer.

Says No Decision On Trotter Tracks

HARRISBURG (AP)—Lawrence B. Sheppard, chairman of the State Harness Racing Commission, says there has been no decision yet on issuing licenses for trotter tracks with permittent betting.

"The commission has made no decision, tentative or otherwise, on the selection of any potential licensee at this time," Sheppard said Tuesday in a statement issued by his office.

Sheppard is on a vacation at his winter residence in Fort Lauderdale, Fla. He and other commission officials attended the recent annual meeting of the U. S. Trotting Association in Orlando, Fla.

Quebec 4 Points Out Of 4th Place

By THE ASSOCIATED PRESS
The Quebec Aces, riding a four-game winning streak, are just four points out of fourth place and a playoff spot in the American Hockey League race.

The Aces broke a third period tie Tuesday night and went on to whip the Cleveland Barons, 4-2, in the only league game scheduled.

The Aces now have 56 points to 60 for the Rochester Americans who hold fourth place.

Down 2-1, going into the third period, the Barons tied it when Cal Stearns found the range at 4:33.

Lightweight Champ Wins Over Parks

HOUSTON, Tex. (AP) — Joe Brown, the lightweight champion, took a unanimous decision Tuesday night over Joey Parks of Omaha in a 10-round non-title bout.

Both Brown and Parks weighed in at 138.

Parks controlled the fight in the early rounds with a hard left and staggered the champion in one round. But he tired badly in the later rounds and Brown's smooth boxing made the difference.

The bout was a tuneup for Brown's April 18 title defense against Dave Charnley of London.

U.S. Short On Airlift And Sealift Facilities

By BEM PRICE

WASHINGTON (AP)—The ability of the United States to intervene quickly and effectively in brushfire war appears to be in serious doubt because of airlift and sealift shortages.

This harsh fact came to light Monday night after a Pentagon source disclosed the contents of the limited war requirements study completed earlier this year just prior to the inauguration of President Kennedy. In his State of the Union message on Jan. 30, Kennedy said he had directed prompt action to increase U. S. airlift capacity.

LESS THAN HALF

Checking the requirements study with other Pentagon sources these figures emerged:

The Air Force has fewer than half the planes needed to fly a full division of 17,000 men to a combat area and sustain it in action there for 30 days.

The Navy has barely enough troop ships operating in the Atlantic to sealift half a Marine division.

If hard pressed in the Pacific, however, the Navy could muster enough transports to move one reinforced Marine division—20,000 men.

WOULD COMMANDEER

In brief, though the United States has seven combat-ready divisions—four Army and three Marine—it does not have the ability now to put them into the field swiftly.

To make up its deficit in airlift and sealift, the President would

have to commandeer some U. S. commercial aircraft and ships in a fast-developing emergency.

An alternative insofar as shipping is concerned would be to dip into the World War II mothball fleet, but this would require time. Furthermore, the Navy would have to use reservists to man these ships.

SEALIFT NEEDED TOO

The limited war study was predicted on a hypothetical requirement: What would it take to put an airborne division and an infantry division in the field and sustain both in combat for 60 days?

Under the plan the airborne division would be lifted with a basic 30-day supply and would be followed by sea by the infantry division.

While lightly armed airborne troops may be moved with relative swiftness, reinforcements with heavy equipment such as tanks and bulldozers must come by sea.

FAR SHORT NOW

To meet this two-division requirement and that of their support troops—80,000 men in all—the Pentagon study estimated slightly more than 1,000 transport aircraft would be necessary plus 26 support transports and assorted support vessels.

The United States now has about 450 transport aircraft available for strategic airlift while the Navy has only 11 troop transports on active sea routes.

SAYS MAN MAY USE LANGUAGE SIGNS ON MOON

By THE ASSOCIATED PRESS

Short horizons on the moon, sunlight on the earth and wasted water are subjects for science at work:

MOON TALK

Space pioneers on the moon may have to use lip-reading or sign language if their radios fail.

The reason: With no air or atmosphere to carry sound waves, talking will be impossible.

Even radio has its limitations, explain experts at Aerojet General Corp. Since radio waves travel only in straight lines, a person out of sight below the moon's horizon will not get the message. And the moon is smaller than earth, so its horizon will be only three miles away.

One emergency alternative: Fire pistol shots into the moon's surface as a distress signal, letting the ground carry vibrations to fellow space travelers.

ACRES OF SUNLIGHT

Small villages in the sunshine lands of the tropics might be able to use the sun's energy to produce electricity—and make it pay, scientists suggest.

Science can now convert 10 per cent of the sunlight collected into electricity. For a small village that needs only about 50 kilowatts of continuous power, you'd need sunlight collectors covering about 1½ acres of land.

But for a modern industrial town needing 50,000 kilowatts of power, it would take literally square miles of collectors to gather enough sunlight.

HARVEST THE RAIN

Just an inch of rain on one square mile means 72,000 tons of water. But the earth's ability to soak up that water determines whether it can be used or not.

Rutgers University scientists found some soils can absorb nearly 5 inches of rain an hour—while some others can soak up only three-hundredths of an inch.

Obviously for the farmer there is little point in putting an inch water per hour into his fields by irrigation, if they can handle only a fraction of that amount.

EMMITSBURG — Mrs. Marie Humerick is confined to her home due to illness.

Miss Beatrice Patterson, traveling enrollment counselor at Cazenovia Junior College, Cazenovia, N. Y., will visit the Emmitsburg Senior High School Thursday morning and interview students.

The Frederick Chapter of the Red Cross and the VFW Auxiliary are cooperating in the distribution of clothing to the needy in the Emmitsburg area. Plans call for the distribution of clothing at the Emmitsburg VFW post home every Wednesday until further notice from 10 a.m. to 3 p.m. The clothing is being gathered by students from the Lewistown, Thurmont and Emmitsburg schools. Those in need of clothing will be cared for free of charge.

The annual Easter Seal drive opened Monday and will continue through March. Mrs. Madeline Harner and Louis H. Stoner are co-chairmen for the Emmitsburg area. Funds are secured from the sale of Easter Seals which will be mailed to local residents. Coin containers have been placed in business places and paper lilies are offered for sale.

The social committee of the CYO, Ronald Stouter, chairman, assisted by Monica Norris, Diane Topper, Gwendolyn Shorb and James Sanders, will hold a St. Patrick's Day dance Friday, March 17, from 8 to 11 p.m. in St. Joseph's High School auditorium. Music will be furnished by The Vibrators. Mrs. Lumen Norris is the adult advisor of the group.

William J. Ott Jr., enlisted in the U. S. Marine Corps and has been sent to Parris Island, S. C. He is a 1960 graduate of St. Joseph High School, and the son of Mr. and Mrs. William J. Ott Sr.

John M. Fuss Jr., Emmitsburg R. 2, has accepted a position as assistant to the treasurer of the Hanover Shoe, Inc., Hanover, Fuss is a certified public accountant and for the past five years has been associated with Arthur Anderson and Co., a public account-firm.

Miss Joan Orndorff, Baltimore, spent the weekend with her parents, Mr. and Mrs. John Orndorff. Mr. and Mrs. Glenn Reifsnider and sons, Keymar, visited Friday with Mrs. Reifsnider's mother, Mrs. George Ashbaugh and family.

Robert Gelwicks, Baltimore, spent the weekend with his parents, Mr. and Mrs. Earl Gelwicks.

Mr. and Mrs. James Topper and daughter, Mr. and Mrs. Donald Rodgers and family, all of Baltimore, were weekend guests of Mr. and Mrs. Curtis Topper.

Mr. and Mrs. Albert Masser and family have moved from Federal Ave. to the property on E. Main St. formerly occupied by Mr. and Mrs. Dale Shields.

Mr. and Mrs. Jerome Peters and family, Baltimore, were weekend guests of Mrs. Peters' parents, Mr. and Mrs. Guy Baker Sr.

Mr. and Mrs. Charles Harner, Philadelphia, visited during the

TOY MARKET SETTING NEW MARKS YEARLY

NEW YORK (AP)—Don't look now, but that person peering over Junior's shoulder at the toys in the window could be a businessman.

His interest is strictly in making his sales graph curve upward. Toymakers contend that their products now top the list of premiums given away each year as a stimulant for sales.

The A. C. Gilbert Co. of New Haven, Conn., says it made a survey of premiums which shows annual usage of toys running at \$50 million in retail value. The Gilbert company makes toys.

The survey also reports that in the last half of 1960, use of toys to raise sales on consumer and dealer level increased by almost one-third over the previous year.

It wasn't too long ago that the only toys used as premiums were inexpensive miniatures or small items sold through the mail for a

weekend with relatives and friends in town.

Mr. and Mrs. Rodgers Topper, Mt. Airy, visited Sunday with Mr. and Mrs. Robert Topper.

Visitors Sunday at the home of Mr. and Mrs. Wilbur Umbel and family were Mr. and Mrs. William Umbel and family, Waynesboro, and Jack Umbel, USAF.

Felix Adams has returned to his home on De Paul St. after visiting in Philadelphia with his sons-in-law and daughters, Mr. and Mrs. Charles Harner and Mr. and Mrs. Wilbur Overholzer.

Miss Elizabeth Myers and Mrs. Joseph Krietz are residing with their sister, Mrs. Ann G. Roger, Emmitt Gardens, after Mrs. Krietz sold her property on W. Main St. to Mr. and Mrs. Grant J. Long.

Mr. and Mrs. Lewis E. Hahn and family, Lodi, N. J., have moved to Emmitsburg where they will make their future home. Mr. Hahn is entering the oil burner service business in this area.

boxtop and a dime.

Today, toys are offered you from all sides — as out-and-out gifts or at a special price. The premiums come with everything from breakfast foods to gasoline.

You may get the offer as a credit card holder or just a cash customer. Or it may be part of a manufacturer's approach to you if you're a garage mechanic, a camera dealer or a grocer.

In every case there's the proviso—you purchase a certain item or stock it.

The toys aren't all just geegaws by any means.

The Buddy "L" Toy Makers of East Moline, Ill., furnished a toy Texaco service station which customers of Texaco gasoline dealers bought at \$3.50. The makers say that elsewhere this would retail at \$7.95.

General Foods gave away 2,000 American Flyer Frontiersman model trains and trestle sets in their 1960 Post cereals sweepstakes. The maker, Gilbert, says these would normally retail for about \$50 each.

Auto-Lite bought several thousand sets of Gilbert's American Flyer stock car race for dealer promotion of its spark plugs. This game has two miniature stock cars racing around a figure-eight track under remote control. Naturally each car has an Auto-Lite mark on its trunk. The toymaker also sold the unmarked gadgets through regular channels with a \$34.95 price tag.

Union Carbide used trains with specially marked chemical tank cars to sell Prestone to dealers. Dolls helped Colgate sell toothpaste to consumers. Ford used dolls based on the comic strip, Peanuts. General Electric used Erector sets to sell more photo flash bulbs.

These big toy orders tend to go to large toymakers who are more in a position to handle them. Also the big firms go in for advertising campaigns which help boost the appeal of the premiums.

But why should producers of goods largely bought by adults use toys to promote sales?

Harvey E. Rath, vice president in charge of sales for Gilbert, says: "Toys generate a whole new audience for a product, not

JFK MAKES HIS FIRST MOVE ON CIVIL RIGHTS

WASHINGTON (AP)—President Kennedy—in his first action in the civil rights field—has moved to end job discrimination by the government and companies having federal contracts.

His executive order may be the first of a number of steps in this field.

Kennedy told a news conference last week the administration was making a study "of where the federal government might justifiably place its power and influence to expand civil rights."

One step under consideration, he said, was an order to withhold federal funds from schools that discriminate against pupils on the grounds of race, religion or national origin.

CALLED STRONGEST
The order Monday night—effective in 30 days—consolidated two existing government committees into a single President's Committee on Equal Employment Opportunity headed by Vice President Lyndon B. Johnson.

Kennedy's order provides stiff penalties for violations, including possible cancellation of government contracts. It also calls for an exhaustive survey of government hiring and firing practices.

Administration officials say the order is the strongest issued by any president in the field of job discrimination. They say it both provides new sanctions against discrimination and makes it possible to use old powers more effectively.

Reaction came promptly from Capitol Hill.

QUICK REACTION
"This development is excellent as far as it goes," said Sen. Jacob K. Javits, R-N.Y. "But it fails to provide for legislation which is the only real way to give a committee like this the money and the backing it needs to do the job."

"There is no substitute for the President's request for legislation and until he asks for it, I cannot see the needed results."

Senate Democratic Leader Mike Mansfield of Montana said the order was a step by Kennedy toward fulfilling his campaign pledge to use the powers of the presidency to implement civil rights.

Endorse Kunkel For Rep. Mumma's Seat

HARRISBURG (AP)—Former Congressman John C. Kunkel, 62, Harrisburg, has been endorsed by the Dauphin County Republican Committee for the 16th District congressional seat left vacant by the death of U. S. Rep. Walter Mumma.

Kunkel—endorsed earlier by State Sen. M. Harvey Taylor, veteran county party leader—was unanimously endorsed Monday by the county committee.

At the same time the committee elected its 62-member delegation to the nomination convention which will be held here next Saturday to select a party candidate for the four-county area.

Building Activity At \$714 Million

HARRISBURG (AP)—The dollar value of Pennsylvania building activity will reach at least \$714 million this year, the State Labor and Industry Department estimates.

Secretary William L. Batt Jr. said the figure could run as high as \$800 million depending upon how successful efforts are to combat the recession through increased building activity.

He substituted for vacationing Gov. Lawrence at the opening of the 18th annual central Pennsylvania Builders show here Monday.

EAST BERLIN — Altar flowers at Paradise Church Sunday were presented by Mr. and Mrs. Burnell N. Leopold in observance of their sixth wedding anniversary. The Lutheran Council of the Union Church met Sunday at 8 p.m. A joint council and consistory meeting was held Monday evening.

"Which Is Your Answer?" is the sermon for the midweek Lenten service Thursday at 7:30 p.m. Members of the Senior High League will participate in the service. The newly organized Senior Choir will rehearse Thursday, March 16, immediately following the midweek Lenten service. After Lent the choir will rehearse every Thursday evening at 8 o'clock. Any interested member of the congregation is invited to join.

Altar flowers at Trinity Lutheran were given by Mrs. Carlotta L. Jacobs and Mrs. John Phillips in memory of their parents, Mr. and Mrs. George E. Spahr. This evening at 7:30 o'clock the midweek Lenten service, which is held in the main Sunday School room, the sermon theme will be "Betraying Judas." The confirmation class will meet Thursday at 7 p.m.

Altar flowers at Zwingli Church Sunday were presented by Mr. and Mrs. Roy Chronister in memory of their father, Robert Morris. Lenten service will be conducted this evening at 7:30 p.m. in the Kralltown School. Rev. Robert M. Gast, pastor of Mt. Zion United Church of Christ, Spring Grove, will speak. Rev. W. H. Anderson will speak at the United Church of Christ, Hayshire, Thursday at 7:30 p.m.

A special firemen's meeting will be held Thursday evening at 8 o'clock in the fire hall. President Gary Markley announced. The members will vote on whether to buy a fire truck.

Mr. and Mrs. Roy Chronister and Mr. and Mrs. Lester Chronister and son, Ronald, Water St., are spending a two-week vacation in Florida.

FRANKFORT, Ky. (AP)—At least one World War II veteran has declined to accept Kentucky's bonus for veterans, due to be paid next month.

Rep. Frank Chelf, D-Ky., wrote Gov. Bert Combs: "Our native state and some segments of her proud people need the bonus funds far more than do I."
